

We are pleased to present the new OHCC Veteran's Memorial at Inspiration Hill. The Hill is situated at the back of the guest/ overflow parking lot. When completed it will have a winding trail to a lookout point with views to the ocean. By purchasing a personalized brick you can be a part of this project. Your brick can be a tribute to those who have served us so bravely or honor someone who has inspired your life. The brick can also recognize those of us that want to contribute and be a part of this special corner of our community. Inspiration Hill will start at the bottom with a seating area for reflection backed by raised plantings. The trail will be outlined by our donated bricks as it winds its way to the seating area at the top, underneath newly planted trees and our American Flag. The benches will honor each branch of the service and face inspirational views of a green valley and the Pacific Ocean.
